**IMPORTANT NOTICE REGARDING
2021 KY LICENSE RENEWAL**

Due to COVID-19, Jonathan L. Shrewsbury, Board President, issued a statement on April 9th regarding continuing education requirements for the 2021 License Renewal. This letter is available on the Board's website, under Covid Update, for your review.

The 2021 License Renewal program had to be modified to reflect the Board's decision. The license renewal program is in the final stages of testing and approval. It is the goal of this office to go-live before December 24, 2020.

You will receive an email to give you instructions for the on-line renewal and announcing the date/time the program will be ready for your use in coming days.

Due to the 2020 COVID Pandemic, all active optometrists will be required to renew their 2021 KY License via the on-line renewal system.
